OKTOBER | OCTOBER 2021

MEDKULTURNO DELAVNICO SMO SLOVENSKI PARTNERJI VODILI V SMERI LIKOVNEGA IZRAŽANJA ATRAKCIJ IN POSEBNOSTI NAŠIH DESTINACIJ. ZNANJE O SLOVENIJI IN STEREOTIPE SMO PREVERJALI S KVIZOM.

THE SLOVENIAN PARTNERS LED THE INTERCULTURAL WORKSHOP. THE AIM WAS TO PAINT THE MAIN TOURIST ATTRACTIONS AND OTHER SPECIAL FEATURES OF OUR COUNTRIES. WITH THE QUIZ WE TESTED HOW WELL PARTICIPANTS KNOW SLOVENIA AND STEREOTYPES ASSOCIATED WITH OUR CULTURE.

Našo destinacijo Šentjur smo predstavili kot zeleno, raznoliko in kulturno bogato, mesto, kjer odzvanja Pesem Južne železnice. Predstavili smo Slovenijo, Razvojno agencijo Kozjansko in Ljudsko univerzo Šentjur ter naše poslanstvo.

We presented our destination Šentjur as green, diverse and culturally rich town where The Song of the Southern Railway resounds. We presented Slovenia, Development Agency Kozjansko and Adult Education Centre Šentjur and our mission.

POSTAVLJALI SMO SE V RAZLIČNE VLOGE LJUDI S POSEBNIMI POTREBAMI,
PREMAGOVALI SMO STEREOTIPE ...

WE PUT OURSELVES IN DIFFERENT ROLES OF PEOPLE WITH DISABILITIES,
OVERCOMING STEREOTYPES ...

TRADICIONALNE IGRE POSAMEZNIH DESTINACIJ IN DRŽAV SO NAVDIH ZA
POGLOBLJENA TURISTIČNA DOŽIVETJA POSAMEZNEGA GEOGRAFSKEGA OBMOČJA.

TRADITIONAL GAMES OF EACH DESTINATION AND COUNTRY ARE INSPIRATION FOR
IN-DEPTH TOURISM EXPERIENCES FOR A SPECIFIC GEOGRAPHICAL AREA.

SEZNANJALI SMO SE S KULINARIČNO RAZNOLIKOSTJO EVROPSKEGA PROSTORA.
NAŠE ŠENTJURSKÉ BUČN'CE IN POTICA SO NAVDUŠILE.

WE LEARNT ABOUT CULINARY DIVERSITY OF THE EUROPEAN AREA.
OUR PUMPKIN SEEDS AND CAKE (POTICA) IMPRESSED EVERYONE.

Cilj projekta je podpora in pomoč starejšim ter ljudem s posebnimi potrebami, da kvalitetneje preživljajo svoj prosti čas in so učinkoviteje vključeni v lokalno skupnost ter imajo glede na njihove ovire optimalen dostop tako do kulturnih kot turističnih vsebin.

The aim of the project is to support and help older people and people with disabilities to spend their leisure time better, to be more involved in their local community and to have optimum access to cultural and tourist facilities in view of their constraints.
